

PURPOSE: Child must organize all homework assignments.

PRINT INSTRUCTIONS:

- Print Homework Checklist: Print on heavy cardstock or laminate for durability.

INSTRUCTIONS:

1. Child utilizes this homework checklist each night/after school.
2. Child retrieves his/her homework or school planner to determine assignments.
3. Child enters date, name of assignment, and estimates the time needed to complete this assignment.
4. As the child completes the homework process, he/she should use the checklist to remain organized and efficient.
5. Your child should check (✓) each box as that step is accomplished.
6. Parent should review checklist and homework to support child and ensure completion.
7. Eliminate your assistance as your child becomes more self-reliant.
