# BUG DETECTIVE

WHAT IS HIDING IN THE GRASS?

## PURPOSE:

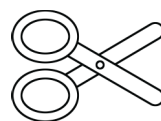

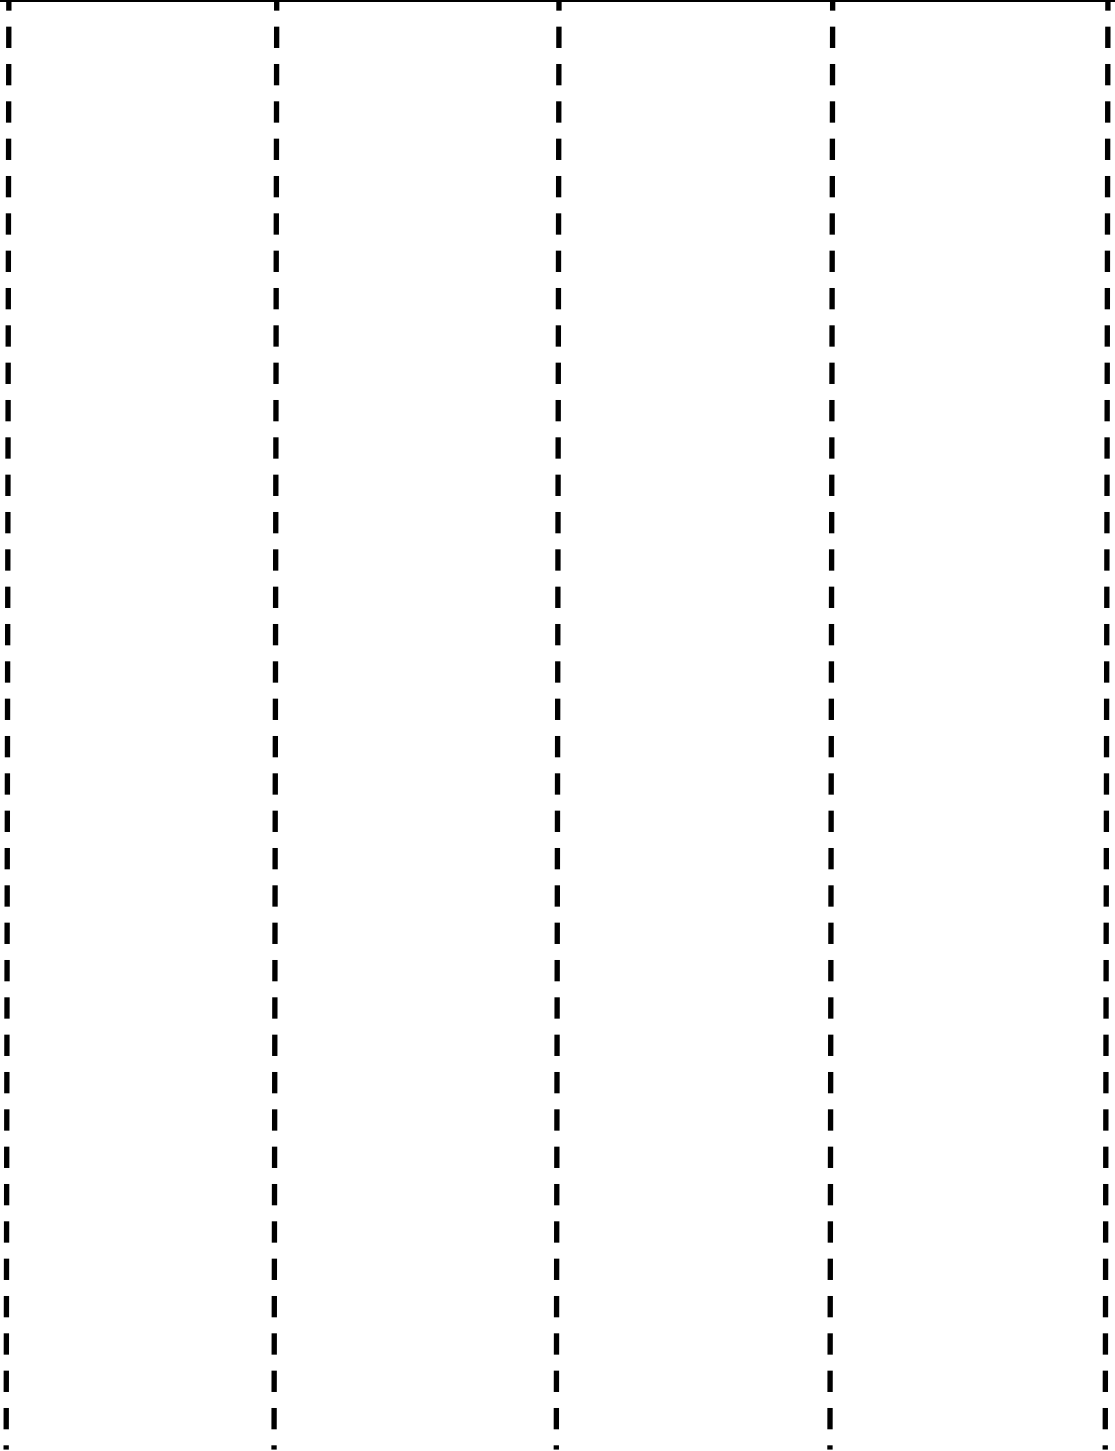

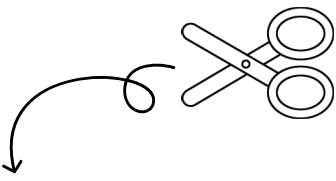

- This fine motor activity will address visual motor skills for coloring, and bilateral coordination skills for scissor use and folding skills.

## INSTRUCTIONS:

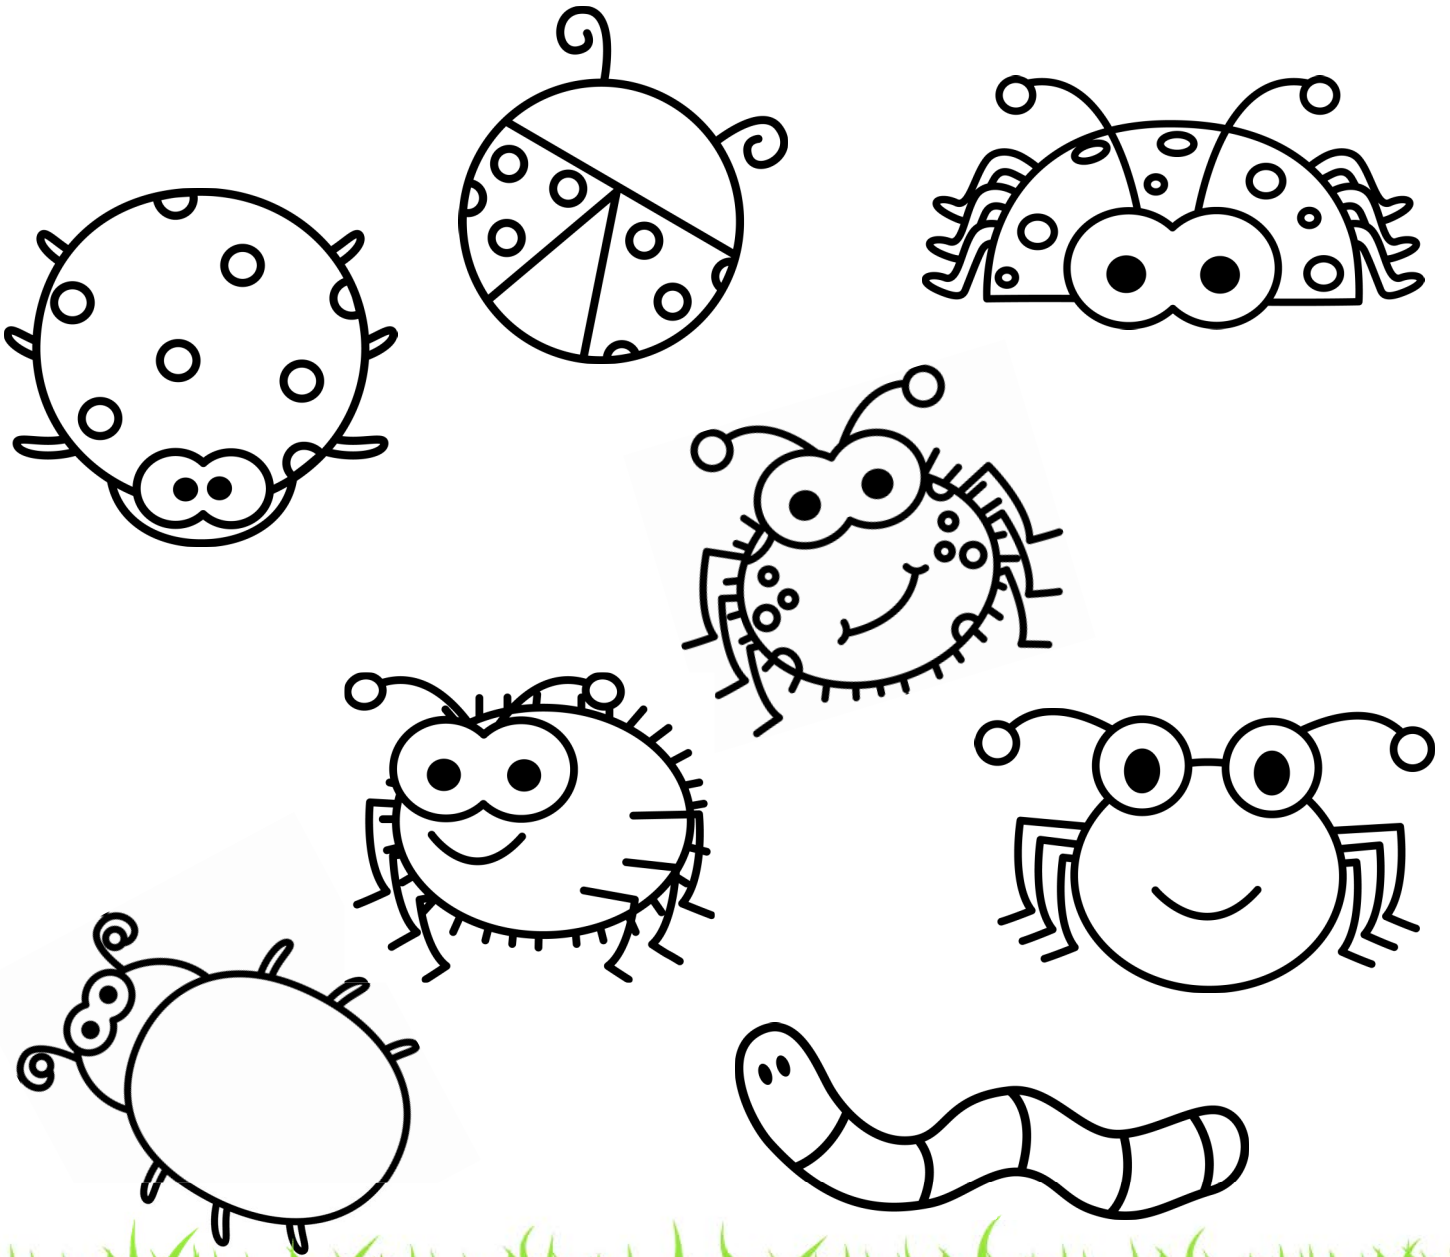

<b>1</b>	Cut out the grass on the <u>solid</u> horizontal lines.	
<b>2</b>	Color the grass green. Color on <u>both</u> sides of the paper.	
<b>3</b>	Color the bugs.	
<b>4</b>	Cut along each <u>dotted</u> line on grass to make blades of grass.	
<b>5</b>	Glue grass onto bug page as directed.	
<b>6</b>	Fold down each blade of grass to find the bugs!
